<b>Product</b>	Basic Economy	Basic Economy	Basic Economy
<b>Booking Classes</b>	<b>B</b> - Fare Basis will have 'B' in 2nd to last position. Example: O0AWZNB1. Requires dual availability (book B but another applicable main cabin inventory must also be available). Basic Economy fares include an additional availability check so if O sells out, for example, the required availability will move up to Q.	<b>N</b> -- Fare basis will have BN at the end of the fare basis. Example: KAA7ARBN. Requires dual availability (book N but another applicable main cabin inventory must also be available). Basic economy fares include an additional availability check so if G sells out, the available Basic Economy fare will move up to the K level, and so on.	<b>E</b> -- Fare basis will have 'B' in the 7th position of the fare basis code. Example: QAUSX3BA. Requires dual availability (book E but another applicable main cabin inventory must also be available). Basic economy fares include an additional availability check so if V sells out, the available Basic Economy fare will move up to the X level, and so on.
